

Tensegrity Repair Series. Created by Gioia Irwin.

Keep the curves of the feet, the bows of the knees. Keep your back broad and quiet. Snap up the inner knees and ankles. Breathe naturally through all movements. Move at 70% of your capability. If it is uncomfortable, you have gone too far. For maximum benefit perform these movements on a daily basis. These pictures are provided courtesy of Alix Rodrigues & Green Room Yoga only as a guide to the movements. It is strongly recommended that you study and learn the sequence from a qualified teacher.
